CHAMBRE DES COMMUNES  
HOUSE OF COMMONS  
CANADA

April 30, 2012

**Pierre Lemieux**

Député / Member of Parliament

Cardinal Creek Community Association

Dear Sean,

I am writing to express my support for the Cardinal Creek Community Association (CCCA)'s plans to build a community hall.

Over the years, the CCCA has demonstrated leadership and great collaboration with residents of the surrounding community. You have hosted many successful events and initiatives, such as the annual Hockey Day, the Community Cleanup, the Neighbourhood Community Watch Program, and many more.

As your Member of Parliament, I have been happy to watch the CCCA act as a key initiator of improvements in the community, which is quickly growing. It has been an effective force in keeping residents informed of events and opportunities.

It is obvious that the proposed community hall would serve our community well, as there is a flourish of community activity in Cardinal Creek. A hall at the proposed location would fill a void that local residents have identified for many years. Not only that, but I am pleased to see that your proposal includes a variety of partnerships, most notably with La Cité collégiale and a private sector home builder.

I offer you my support for this important initiative.

Sincerely,

Pierre Lemieux  
Member of Parliament
